

## WeeTag Express Tagging Service Agreement

By consigning with mom2mom Children's Consignment Event, I agree that said companies and owners are not responsible for any lost or damaged merchandise on consignment due to fire, theft, accident or any other cause. I have reviewed the consignor agreement. I am the owner to the merchandise consigned and I will not hold said companies responsible for any claim of title to it. I will still be able to attend the consignor presale on stated date on the schedule. I agree to pay the \$10 consignor participation fee which is due upon registration as a consignor on MyCM and understand that a separate \$10 WeeTag Express fee will be due when I drop off my items to cover supplies needed for tagging up to 150 items.

All items must be clean and in working condition when brought to drop off for tagging. Clothing must be washed and in great condition. **No clothing can be brought in garbage bags.** Outfits must be folded together so the tagger can easily identify that they belong together. Clothing must be season appropriate for the event. Spring event: no jackets, coats, winter clothing or long sleeves. Fall event: no sleeveless clothing or swim suits. All guidelines are to be reviewed on our website. Toys that have small parts must have all parts included and attached in a Ziplock bag. **Any item that requires batteries must have working batteries in the item** when it is dropped off. I understand that mom2mom will NOT provide batteries for my items and will not sell items that do not have batteries included. Any item that the tagger finds that does not meet mom2mom standards of quality will not be sold and will be donated. **Seller must provide hangers.** Hangers on sold items will not be returned to the seller.

My items will be priced by the tagger. The tagger will use their experience and judgment in pricing items. Items will be priced moderately and to sell. The tagger may group like items together in order to increase the likelihood of selling the items. All items will be marked to sell at a discount on half price day if they have not sold previously while open to the public. Any items not picked up after consignor pick up will become the property of mom2mom and will be donated. Donation recipient is to be chosen by mom2mom.

Mom2mom will have my check available at item pickup on the date scheduled. **I understand that I will collect 50% of the sale price of my items sold on consignment and mom2mom will receive 50%. I understand that my settlement report online will show 70% profit as normal, but my check will only reflect the 50% earned on items sold.** I will cash the check within 60 days of receiving it. By signing this agreement I agree to forfeit my monies after that time if check is not cashed.

I have checked my items against the recall list and none of my items are on the list. I understand that if any of the items is on the recall list, mom2mom will pull it from the sales floor and it will not be sold and will not be returned to me. Consignor has reviewed the tagging guidelines and instructions. Any items that do not meet the standards of the sale will be donated to a recipient chosen by mom2mom.
